Subject: CSO Program Preliminary data

Good Afternoon Alice

Please see attached for preliminary data for Event #2, Attempt #2 of the CSO Program. The table displays the following results:

- LSM Dissolved herbicide, Aroclor PCB initial run (along with its associated laboratory equipment blank)
- LSM Dissolved herbicide, Aroclor PCB concentrated run (along with its associated laboratory equipment blank)
- LSM Particulate, HSM Particulate Herbicide, Aroclor PCB results from Event #2, Attempt #2
- TSS/TDS collected after Event #2
- SVOC, SVOC SIM, Cyanide, TEPH, TOC analyses for LSM Dissolved, LSM Particulate, HSM Particulate from event #2, attempt #2.

Please let me know if there are any questions.

Thanks

Brian Mikucki
